ABOUT HAROLD R. LESTER

The late Harold R. Lester had a strong Christian faith and believed each day was an opportunity to touch the lives of people around him in a positive way. He was constantly helping his family, friends and neighbors. Mr. Lester spent much of his life working with children and their families

through his career in the Wise County School System as a teacher, coach and administrator, always encouraging each to reach his or her maximum potential. Working hard and staying true to your beliefs were values by which he lived.
